INTRODUCTION BY LORD ROTHSCHILD

1

I am pleased to introduce to you our Individual Savings Account ("ISA") Scheme which enables individual investors to buy shares of RIT Capital Partners plc ("RITCP") in a tax efficient, convenient and straightforward way.

Investment trusts provide a simple and effective way of investing in a diversified portfolio of investments. By investing in the RITCP ISA Scheme your returns will be exempt from UK income and capital gains tax. In addition, investors benefit from the fact that an investment trust does not pay tax on capital gains made within its portfolio.

Lord Rothschild
Chairman

Established in 1988, RITCP is an investment trust whose shares are listed on the London Stock Exchange and which has a widely diversified portfolio. I have served as Chairman of RITCP during this period and I, together with my family interests, have a significant shareholding. Our objective is to deliver long-term capital growth while preserving shareholders' capital. We aim to invest without the constraints of a formal benchmark, but to deliver for shareholders increases in capital value in excess of the relevant indices over time. I am delighted that RITCP has outperformed the relevant stock market indices by some margin since 1988.

We invest in a widely diversified, international portfolio across a range of asset classes, both quoted and unquoted. In addition, we allocate part of the portfolio to exceptional managers in order to ensure access to the best external talent available.

While RITCP maintains a significant part of its portfolio in quoted securities, we differ from most other investment trusts in that we also invest in unquoted securities, private equity partnerships, funds and property, providing our shareholders with access to investments which are not normally directly available to the individual investor.

An investment in RITCP therefore allows the individual investor to diversify his or her portfolio into a number of different investment areas and to delegate decisions on the allocation of assets between those areas to professional asset managers.

SUMMARY OF THE INDIVIDUAL SAVINGS ACCOUNT SCHEME

2

- The RITCP ISA Scheme ("the ISA Scheme") provides two ways of investing in ordinary shares of RIT Capital Partners plc ("RITCP shares"), either by way of regular monthly payments or individual lump sums.
- The ISA Scheme is available to UK resident investors aged 18 or over, including existing shareholders. It is also available to UK non-residents, if performing duties as a Crown employee serving overseas and paid out of the public revenue of the UK (such as a serving member of the armed forces, or diplomat), or are married to, or in a civil partnership with, such a person.
- The ISA Scheme allows you to invest regular monthly payments which must be for a minimum of £20 per month, up to a maximum of the prevailing ISA annual limit set by the Government (£7,200 in the 2008/2009 tax year). Larger monthly investments must be a multiple of £10. The dealing costs involved in buying shares in this way are charged at 0.5% of the value of the RITCP shares bought. Stamp duty is payable on all purchases of RITCP shares at the rate of 0.5% of the total cost of the RITCP shares.
- The ISA Scheme also allows you to invest with a lump sum which must be for a minimum of £250, or more, subject to the annual ISA limit referred to above. Lump sum investments must be made in a multiple of £10. Dealing costs of 0.5% on the total value of RITCP shares bought and stamp duty, payable at 0.5% will apply.
- Sales of RITCP shares bought either as lump sum investments or by regular monthly savings may be effected at any time, subject to dealing costs of 0.5%. No stamp duty is payable on sales of RITCP shares.
- The ISA Scheme is administered by The Bank of New York Mellon (International) Limited which is referred to in this brochure as the "Administrator".
- If you would like to participate in the ISA Scheme please complete the relevant application form(s) on pages 21/22 (Lump Sum Investments) and 23/24 (Monthly Savings) of this brochure. For further information on how the ISA Scheme operates please refer to the Key Features section and where appropriate, the Terms and Conditions section of this brochure. If you have any questions about the Scheme please telephone the Administrator on 08448 920917.

HOW THE INDIVIDUAL SAVINGS ACCOUNT SCHEME WORKS

- Purchases of RITCP shares are usually effected on Wednesday and Friday of each week, (the “Dealing Days”).
- Once an application form for monthly savings is received, your monthly contributions will be debited on the 10th of each month (or the next business day) and will be used to buy RITCP shares on the next Dealing Day following clearance of the funds. Any money remaining will be applied towards the purchase of shares in the following month.
- Lump sum investments will usually be made on the next Dealing Day after clearance of your funds. Cheques should be made payable to ‘RIT Capital Partners plc’.
- Once you have joined the ISA Scheme and participate either through monthly savings or a lump sum investment, you will receive an acknowledgement. Thereafter, a statement of account will be sent to you every six months (at the beginning of May and November). The statement will show the total number of shares you have purchased, the purchase price of the shares, the current value of the shares and any uninvested cash. In order to simplify administration and reduce the costs of the Scheme, shareholders will be registered with the Administrator’s nominee company, BNY OCS Nominees Limited, though the shares will be beneficially owned by you at all times.
- Commission will be charged on all purchases at the rate of 0.5% of the amount invested. Stamp duty is payable at the rate of 0.5% of the total purchase price of the shares.
- If you participate through monthly contributions you may increase or reduce the amount at any time (subject to the minimum requirement) or you may cancel your participation in the ISA Scheme at any time by notifying the Administrator in writing. You must however, give no less than 10 business days notice to cancel a direct debit or the funds may be debited from your account on the next collection date.
- Subject to the annual ISA allowance you can make additional one-off, lump sum investments in the ISA Scheme by sending written instructions to the Administrator together with a cheque.
- There is a facility available that allows for the automatic reinvestment of dividends. If you wish to utilise this facility, you should either notify the Administrator in writing, or tick the ‘reinvest my dividends’ box on the relevant application form.
- Sales of RITCP shares may be made at any time by sending written instructions to the Administrator. Sales commission will be charged at 0.5% of the value of RITCP shares sold. No stamp duty is payable on sales of RITCP shares. Sales will usually be effected on the next business day following receipt of the written instruction by the Administrator.

KEY FEATURES OF THE RITCP ISA SCHEME

4

RIT CAPITAL PARTNERS PLC

RIT Capital Partners plc is an investment trust whose principal objective is to deliver long-term capital growth for its investors by acquiring a diverse portfolio of securities and investing internationally. RITCP maintains a substantial part of its portfolio in quoted securities but there is no fixed or pre-determined asset allocation between different geographical areas. Investments are also made in unquoted securities, funds, private equity partnerships and property.

YOUR INVESTMENT

The ISA Scheme allows you to purchase ordinary shares of RITCP either through monthly savings (minimum £20) or a lump sum investment (minimum £250). You may reduce, increase or cancel your monthly participation at any time. You may also sell your shares at any time. The maximum investment in any tax year is the ISA allowance set by the Government (£7,200 in the 2008/2009 tax year).

RISK FACTORS

Investors should be aware that the value of their investment and the income derived from it can fluctuate and there is therefore no guarantee that you will recover the amount of your original investment. The value of your investment may fluctuate in accordance with the underlying performance of the shares and securities in which RITCP invests. For these reasons the value of your investment may go up or down.

As a transaction charge is made when you purchase shares, this will reduce the value of your investment, particularly in the short-term. Your investment should be for the medium to long-term. Due to charges and any market movements, if you redeem your investments early, you may not get back the amount originally invested.

As RITCP invests internationally, your investment can be affected by exchange rates, dealing restrictions and settlement difficulties. RITCP's investments include unquoted securities and property that may be difficult to sell or which might be subject to transfer restrictions. The investment could also be affected by changes in tax legislation, both corporate and personal.

RITCP has term loan borrowing arrangements, gearing the returns on its portfolio. Gearing should enhance the net asset value of RITCP's shares where the value of its underlying assets is rising. However, it would have the opposite effect where the underlying asset values are falling. The borrowing arrangements incorporate financial and other covenants, the breach of which might oblige RITCP to repay all or part of the borrowings. Repayment in such circumstances would incur costs for RITCP over and above the usual interest costs, relating to both the possible liquidation of part of the portfolio to finance the repayments, as well as the repayment and associated early repayment penalties that might be applicable.

Past performance is not a guide to future performance.

PREMIUMS AND DISCOUNTS

The price at which the shares of investment trusts such as RITCP trade on the stock market is to an extent affected by supply and demand. The price of the shares will generally be either below the Trust's net asset value (trading at a "discount") or above it (trading at a "premium"). The amount of discount or premium can fluctuate significantly.

RITCP will announce its net asset value to the market at various intervals throughout the year.

WHAT ARE INVESTMENT TRUSTS?

Investment trusts are companies whose shares are listed on the London Stock Exchange. They invest in the securities of other companies, thus enabling an investor to achieve a broad spread of investments. They offer investors access to experienced asset managers who are responsible for investing the trust's assets.

WHAT IS THE RITCP ISA SCHEME?

The RITCP ISA Scheme enables investors to participate in a tax efficient share savings scheme in a cost-effective and convenient manner either through a monthly direct debit facility or periodic lump sum investments.

WHO MANAGES THE INVESTMENT TRUST?

Unlike many investment trusts which delegate the day-to-day management of their investment portfolios to a single external investment management company, RITCP is run by its own management team. This team selects investments or chooses to allocate to external specialist managers certain components of the overall portfolio. Most of the portfolio investments are held by Bank of New York Mellon as custodian.

WHO MAY INVEST IN THE ISA SCHEME?

Any UK-resident person who is aged 18 or over is permitted to invest in the Scheme, including existing shareholders. It is also available to UK non-residents, if performing duties as a Crown employee serving overseas and paid out of the public revenue of the UK (such as a serving member of the armed forces, or diplomat), or are married to, or in a civil partnership with, such a person.

IS THE SCHEME A CASH ISA AND A STOCKS AND SHARES ISA?

No, this scheme is purely a Stocks and Shares ISA, for the purchase of RITCP shares only.

HOW DO I INVEST IN THE ISA SCHEME?

By completing the relevant application form(s) and Declaration and returning it either to your financial adviser or to the Administrator. The Administrator will invest your monthly contribution on the next Dealing Day after the 13th day of the month. In the case of lump sum investments, shares will be purchased on the next Dealing Day following clearance of your funds.

Dealing Days are usually Wednesday and Friday of each week.

On becoming a participant in the ISA Scheme, you will be sent an acknowledgement advice with a reference number. Thereafter, you will be sent a statement every six months (in May and November) which will confirm the number of shares purchased and the share price, together with their current value and any uninvested cash.

Participants in the Scheme will not be sent share certificates as all holdings will be held in the name of the Administrator's nominee company, BNY OCS Nominees Limited, thus reducing costs and simplifying administration.

HOW MUCH CAN I INVEST IN THE ISA SCHEME?

The minimum monthly investment is £20. Larger monthly investments must be a multiple of £10. The initial minimum lump sum investment is £250. Larger lump sum investments must be a multiple of £10. The maximum limit on the amount you can invest is the annual ISA limit set by the Government (£7,200 in the 2008/2009 tax year).

QUESTIONS AND ANSWERS

6

CAN I TRANSFER MY EXISTING ISA INTO THE RIT CAPITAL PARTNERS PLC ISA SCHEME?

Yes you can, just fill out the two ISA Transfer Forms on pages 29 to 32 and Declaration on page 27. It is important that you read the disclosure on page 30 and the relevant Terms and Conditions on pages 10 to 16.

CAN I TRANSFER MY HOLDING IN THE RIT CAPITAL PARTNERS PLC SAVINGS SCHEME INTO THE RIT CAPITAL PARTNERS PLC ISA SCHEME?

Yes, although we can only accept cash for ISA transfers-in, which means that we must first sell your shares to crystallise any gains or losses to meet HMRC capital gains tax requirements. We will therefore sell the shares from your saving scheme and purchase shares in your ISA. Should you wish to proceed with this, please notify us in writing. Shares held in a joint holding may be sold subject to the instruction being signed by all holders. The ISA can only be held in the name of a sole holder; please complete the ISA application form accordingly. Shares will be purchased in the new ISA on the next Dealing Day following the receipt of sales proceeds from our broker. At the tax year-end, please allow a minimum of seven business days between our receipt of your instruction and the tax year-end, in order for the proceeds of your sale to clear before reinvestment in your ISA account.

WHEN SHOULD I SUBMIT MY APPLICATION TO ENSURE THAT IT IS RECEIVED IN TIME TO BENEFIT FROM THE CURRENT TAX YEAR'S ALLOWANCE?

We aim to accommodate as far as possible requests received before the end of the tax year but for your own comfort we recommend that you submit any application as far as possible in advance of this date. Prior to the end of each tax year on 5 April, applications must be received by the Administrator no later than five business days before the last business day of the tax year in order for the funds to clear and be applied to an ISA account before the tax year-end. Your application at this time must be accompanied by a cheque in order that you are deemed to have funded your ISA Scheme account within the tax year (applications accompanied solely by a direct debit mandate cannot be accepted as the initial direct debit will fall into the following tax year). Applications received with less than five business days of the tax year remaining will be returned to you.

WILL I BE WRITTEN TO BEFORE THE NEXT TAX YEAR TO CONFIRM WHETHER I WISH TO INVEST AGAIN?

Yes, if you are making regular monthly investments.

CAN I ALTER MY MONTHLY PAYMENTS AND MAKE ADDITIONAL LUMP SUM INVESTMENTS?

Yes. You can amend your monthly payments (subject to maintaining the minimum) by writing to the Administrator and quoting your reference number. Please allow not less than 10 business days prior to collection for the amendment to the direct debit to take effect. Additional lump sum investments can also be made by sending a written request to the Administrator and sending a cheque made payable to 'RIT Capital Partners plc'. You must ensure that you quote your reference number in all correspondence.

HOW WILL I KNOW WHAT PROGRESS MY INVESTMENT IS MAKING?

Every six months, we will send you a copy of the interim or annual report and accounts. You may phone the helpline (08448 920917) for a valuation at any time.

You will also receive a statement in May and November each year detailing the amount of your holding and the current value of the RITCP shares. You can track the daily market price of the shares in the Financial Times and other daily financial newspapers. You may also monitor the RITCP share price through the website of the London Stock Exchange (www.londonstockexchange.com) or other online financial information providers, using the identifying 'ticker' for RITCP shares, which is RCP. These sources will also provide details of the yield and the discount or premium at which the shares are trading. RITCP also maintains a website at www.ritcap.co.uk where information is regularly updated.

WILL I RECEIVE DIVIDENDS AND WILL THEY BE TAXED?

Yes, dividends are paid annually in July and you will receive your dividend warrant and income advice letter direct. Dividends on shares within the ISA Scheme are paid free of UK income tax.

HOW MAY I RECEIVE MY DIVIDENDS?

The standard RITCP dividend arrangement is for dividends to be credited to any UK bank or building society account of your choice. If you wish to receive your dividends in this way, you must complete a dividend mandate form enabling your dividends to be paid directly into your bank account.

You may also opt to have your dividends reinvested in RITCP shares within the ISA Scheme by ticking the relevant box on the application form(s). The minimum amount which may be reinvested is the price of one share, plus stamp duty. Any monies held which are less than the value of one share will be held in a non-interest bearing account pending further investment.

If you opt to have the dividends reinvested and you have a monthly instalment payment, the dividend reinvestment amount will be added to your next monthly payment and used to purchase additional shares.

WHAT IS THE TAX POSITION OF RITCP?

RITCP does not pay capital gains tax on gains made on its portfolio of investments, but it is liable to corporation tax on any excess of its taxable income over its total expenses including interest.

HOW DO I SELL/TRANSFER MY SHARES?

You may sell your shares at any time by writing to the Administrator who will sell your shares on the business day following receipt of your instructions. The proceeds (minus any charges) will be paid to you by cheque following settlement of the sale. You may have the shares transferred into your name, or as you direct, by contacting the Administrator.

DO I HAVE ANY CANCELLATION RIGHTS?

You are at liberty to terminate your investment at any time by sending written instructions to the Administrator, whereupon the Administrator will sell your shares and return the sale proceeds and any uninvested cash to you. You should be aware that this amount may be less than your initial contribution to the ISA Scheme due to changes and any movement in the RITCP share price. However, if you cancel your initial subscription to the ISA Scheme within 30 days of our receipt of your application, the cancelled subscription will not count as a subscription to an ISA and we will not include your application in our annual return of information to HMRC. You would therefore be free to open an ISA with another provider in the current tax year.

Monthly investment payments may be cancelled or reduced, subject to the £20 minimum and subject to notification in writing to the Administrator not less than 10 business days prior to the collection date. All written cancellations received by the Administrator are irrevocable. If you wish to rejoin the scheme you may do so at any time by sending a further completed application form(s) to the Administrator.

DO I HAVE SHAREHOLDER RIGHTS?

Your rights are substantially the same as if you were a direct investor in RITCP. You will receive annual and interim reports and accounts and any other information that is sent to other shareholders. You will be entitled to attend Annual General Meetings and vote through the Administrator's nominee company, BNY OCS Nominees Limited, by completing and returning the forms that will be provided.

HOW WILL CHARGES AND EXPENSES AFFECT MY INVESTMENT?

Commission

There is a fee of 0.5% for both purchases and sales. Stamp duty of 0.5% is payable on all purchases.

Bid-offer spread

The bid price is the price at which you can sell your shares, and the offer price is the price at which you can buy them. The bid price is always lower than the offer price, and the difference between them is the

QUESTIONS AND ANSWERS

8

spread. The spread varies according to market conditions, the volume of trading in the shares and the availability of shares in the stock market. The dealing spread normally ranges between 3-8 pence per RITCP share.

Market makers, who act like wholesalers in the stock market, make their profit from the spread - buying shares at the bid price and selling them at the offer price.

Management expenses

These expenses represent the cost of running the investment trust, and include administrative expenses, auditors' fees, registrars' fees and investment management fees. They are borne directly by RITCP and deducted from its income account. They do not represent a direct expense to the investor.

ILLUSTRATION OF THE EFFECT OF CHARGES ON YOUR INVESTMENT

The effect of all the above expenses, including management expenses, on an investment of £1,000, assuming growth of 6% per annum, is set out below. RITCP's expenses vary and the growth rate may not be achieved. Therefore, the figures cannot be guaranteed and are for illustrative purposes only. The table below serves as a demonstration of the effect charges may have on an investment over a ten year period.

At end of year	Investment to date	Effect of deductions to date	Potential return assuming 6% p.a. growth
1	£1,000	£40	£1,019
3	£1,000	£78	£1,108
5	£1,000	£114	£1,210
10	£1,000	£208	£1,510

N.B.

The notional rate of growth of 6% does not include any income distributions (dividends) which are payable annually. As the principal aim of RITCP is capital growth, the amount of dividends paid to date has been relatively low.

The last line in the table above shows that over ten years the effect of the total charges and expenses, excluding any amount representing notional dividend payments, could amount to £208. In other words, this would have the same effect as reducing investment growth of 6% per annum to 4.2% per annum.

HOW MUCH WILL ANY ADVICE COST?

RITCP, employees of RITCP and its subsidiaries and the ISA Scheme Administrator, are not permitted to advise you on the suitability or otherwise of investing in the ISA Scheme. If you require advice, we recommend that you speak to an Independent Financial Adviser ("IFA") who may charge a fee. An IFA, may be found by searching the industry body's website at www.unbiased.co.uk.

CAN I INVEST THROUGH AN INDEPENDENT FINANCIAL ADVISER ("IFA") OR OTHER AGENT?

Yes – the IFA should be registered with the Financial Services Authority ("FSA"). All approved IFAs will have an FSA number. Information on approved IFAs can be obtained by writing directly to the FSA or by searching the register on the FSA website (www.fsa.gov.uk/register).

If you wish to invest through an IFA or other agent please complete and send the relevant form(s) on pages 21/22 or 23/24 together with all relevant paperwork, to your IFA or agent who will then include his/her details and forward the application on your behalf to the Administrator. As stated above, your IFA/agent may charge you a fee for his/her services.

WHAT DO I DO IF I HAVE A COMPLAINT?

You should contact the Administrator who will try to resolve the matter. If the matter is not resolved or if you are unsatisfied with the Administrator's decision or handling of your complaint, you have the right to contact the Financial Ombudsman Service at:

The Financial Ombudsman Service

183 Marsh Wall

2. JOINING THE ISA SCHEME

Methods of Investment

You will, for the purposes of the FSA, be classified as a Retail Client and be afforded the protections applying to that categorisation of customer.

You may choose to invest by either or both of the following methods:

(i) Lump Sum Investments

Payment of a specified sum which initially may not be less than £250 or such other minimum as we determine from time to time (“Lump Sum Investments”). In the case of Lump Sum Investments you should complete Form A on pages 21/22 of the ISA Scheme Brochure. You may make additional Lump Sum Investments as frequently as you wish, so long as each is equal to or exceeds the minimum amount or, if greater than £250 is a multiple of £10 and your total investment does not exceed your personal annual ISA allowance set by the Government.

(ii) Monthly Savings

Payment by direct debit of a monthly sum of not less than £20, or such other minimum as we may determine from time to time (“Monthly Savings”). In this case you should complete Form B on pages 23/24 of this Brochure. You will make monthly payments of the amount specified in your Application Form until this Agreement is terminated under Clause 15, or until you notify us in writing that you wish to increase or reduce the monthly amount (subject to the minimum requirement) or that you wish to stop making payments under the ISA Scheme (either on a temporary or permanent basis). Any change, suspension or cancellation to the direct debit must be given in writing, to the Administrator not less than 10 business days prior to the next collection date to be effective.

To join the ISA Scheme you must complete and sign the relevant Application Form and send it together with the ISA Declaration Form and "Proof of Identity" documents (page 18) to the Administrator. Please note that cheques must be drawn in Sterling on a UK clearing bank or building society and made payable to 'RIT Capital Partners plc'. When your application has been accepted an ISA Scheme account will be opened for you.

3. INVESTMENT

(a) We will invest sums received in the ISA Scheme as follows:

(i) **Lump Sum Investments**

Investment will normally be effected on the next Dealing Day after clearance of your cheque;

(ii) **Monthly Savings**

Direct debits will be taken on the 10th day of each month or the next business day and investment will usually be made on the Dealing Day around seven to ten days after such debit ("the Monthly Dealing Day");

but if it is impractical for any reason to effect the transaction then we will do so as soon as is reasonably practicable afterwards. We will take no responsibility for failure or delay by your bank in processing direct debits.

(b) **Transfers In**

You may transfer the cash value of ISA investments held with other ISA managers to the ISA Scheme, though the entire value of any subscriptions made in the current tax year must be transferred. For a stocks and shares ISA transfer you may only transfer the cash value of the stocks and shares component held with other ISA managers. RITCP shares (or any other investments) cannot be transferred into the ISA Scheme. We are not obliged to accept transfers-in.

(c) All cash held for your account in the ISA Scheme will be paid into a client account maintained by the Administrator, pending investment or payment to you. No interest will be paid on such cash. In signing the Application Form you agree to waive the right to receive interest which you would otherwise have under the FSA's Client Assets Sourcebook. When investing, we will buy the maximum whole number of Shares possible for your ISA Scheme Account. Fractions of Shares will not be purchased. Any cash balance which is too small for immediate investment, or which it is otherwise impracticable to invest immediately, will be carried forward for future investment.

(d) You will be informed of all corporate actions and rights that may arise from time-to-time in relation to Shares held for you under the ISA Scheme and you will have the same entitlements and voting rights as those of registered shareholders.

4. CHARGES

(a) Charges will apply to all purchases and sales of Shares. Charges (currently 0.5%) will include the broker's commission and, in the case of purchases, stamp duty or stamp duty reserve tax at 0.5%.

(b) VAT will be added where applicable to all Charges payable under this Agreement. All Charges will be deducted from the amount available for investment (or, in the case of a sale, the sale proceeds) and will be subject to periodic review; you will be given notice of any change.

(c) Shares allotted to the Administrator's nominee company, BNY OCS Nominees Limited (see Clause 5) in the event of any bonus or rights issue, representing your fractional entitlements to a share, may be sold in the market and the proceeds of sale will be applied towards the expenses of operating the ISA Scheme.

TERMS AND CONDITIONS

12

5. OWNERSHIP, ADMINISTRATION AND DELEGATION

Your Shares will be registered in the name of BNY OCS Nominees Limited but will be beneficially owned by you at all times and will not be loaned to a third party. The Administrator will hold documents evidencing title to the Shares and (including as set out in Clause 10) will also attend to all rights conferred in respect of such Shares.

6. DIVIDENDS

- (a) All dividends earned on your Shares will be paid direct to you unless you elect for the automatic reinvestment facility that is available by completing the relevant section on the application form(s).
- (b) You can elect for dividends to be paid to the bank or building society account specified by you.

7. OTHER DISCLOSURES AND TERMS OF BUSINESS

We will effect transactions for you as principal or as agent on the following terms:

(a) **Best Execution**

When executing orders on your behalf we will take all reasonable steps to achieve what is called "best execution" of your orders. This means that we have in place a policy and procedures which are designed to obtain the best possible result for your orders, and which provides, in our view, the best balance across a range of sometimes conflicting factors.

We will take into consideration a number of different factors which include not just price, but which may also include such other factors as the cost of the transaction, the need for timely execution, the liquidity of the market (which may make it difficult to execute the order), and the size of the order.

We will exercise our own discretion in determining the factors that we need to take into account for the purpose of providing you with "best execution".

(b) **Aggregation**

Subject to the FSA Rules, we may aggregate transactions for you with those of other customers without prior reference to you or such other customers. Aggregation may operate on some occasions to your advantage and on others to your disadvantage.

(c) **Execution Only Service**

We do not, by accepting your Application or your subsequent instructions for investment or disposal, make any recommendation or give any advice as to the choice of investment or the suitability for you. In such circumstances, transactions are effected by us on an execution-only basis. We have not assessed the appropriateness of this investment for you, and have no familiarity with your knowledge and experience of investing. If you are in any way unsure as to the suitability of this investment for you, we recommend that you seek professional investment advice.

(d) **Regulation**

We are authorised and regulated by the FSA and are governed by the FSA Rules.

(e) **Cash Payable to You**

We will pay the proceeds of any withdrawals directly to your bank or building society account within five business days of the sale, or by cheque if no bank or building society account details are held for you.

8. SALES AND TRANSFERS OUT

(a) **Sales**

You may sell your Shares for cash and withdraw the net proceeds from the ISA Scheme by writing to the Administrator. Sales of Shares will normally be effected within 1 business day of receipt of such instructions. The proceeds (net of charges) will be paid to you in accordance with Clause 7(e).

(b) **Transfers Out**

Shares held on your behalf may be transferred out of the ISA Scheme to you or the cash value to another ISA manager. You should contact the Administrator in this regard.

9. STATEMENTS AND VALUATIONS

(a) We will send you an acknowledgement letter upon receipt of your Application Form.

(b) You will be sent half-yearly valuations of your holdings in Shares in May and November.

(c) When you make a Lump Sum Investment or transfer into the ISA Scheme from another ISA Plan, we will send you a statement shortly after we have invested the payment. We will not send such statements for transactions in respect of Monthly Savings but we will send a half-yearly dealing statement with the valuation.

10. RITCP INFORMATION AND VOTING

We will arrange for you to receive the annual report and accounts and interim accounts in respect of RITCP and any additional information issued to shareholders. We will arrange for you to be able to attend meetings of shareholders if you so wish. You will also receive forms to enable you to direct us how to vote on your behalf on any resolution. If you wish us to vote on your behalf, these forms must be completed and returned to us in good time to enable us to vote in accordance with your instructions. Except on your specific instructions, we will not exercise any of the voting rights attaching to your Shares but your holdings of Shares in RITCP may be counted for the purpose of constituting a quorum at general meetings of RITCP.

11. LIABILITY

(a) We will deal in good faith and with due diligence but will not be liable in respect of the negligence, default or fraud of any person, firm or company through whom transactions are effected for your account.

(b) No warranty is given by us as to the performance or profitability of any investments, cash or other property forming part of or constituting the ISA Scheme.

(c) We will not be responsible for any loss of opportunity whereby the value of your investments could have been increased or for any decline in the value of your investments, howsoever arising, except to the extent that such loss or decline is due to our negligence, default or fraud, or that of our employees or agents.

(d) We will not be liable for any loss arising from errors of fact or judgement or any action taken (or omitted to be taken) by us, howsoever arising, except to the extent that any such error or action (or the omission thereof) is due to our negligence, default or fraud, or that of our employees or agents.

(e) We will be responsible for entrusting to the Administrator or other custodian the safe custody of securities and documents of title relating thereto (to the extent that they come into our possession or control and are held by us) and for depositing in accordance with Clause 3(c) cash held or received at any time. We may not lend such documents to, or deposit them as collateral with, any third party and we may not borrow against their security on your behalf. We shall not be liable in relation to any negligence, default or fraud by the Administrator, any bank or custodian unless such bank or custodian is an associate of the Manager. However, where we have a right of indemnity from the Administrator we will pass on to you the appropriate portion of any payment which we receive.

TERMS AND CONDITIONS

14

- (f) Nothing in this Agreement excludes or restricts our duties and liabilities to you under the Financial Services and Markets Act 2000 or under the rules and regulations made pursuant to that Act.

12. ASSIGNMENT

This Agreement is personal to you and shall not be capable of assignment or transfer by you. We may appoint any appropriate associate of the Manager to manage the ISA Scheme in our place and shall then transfer to such appointee all the benefits of this Agreement and all our duties and obligations. Where it is reasonably practicable for us to give advance notice to you of such appointment and transfer, we shall do so but shall otherwise notify you as soon as reasonably practicable thereafter.

13. CONFIDENTIALITY

- (a) Neither we nor any agent nor the associate of either shall be obliged to disclose to you or, in making any decision or taking any step in connection with the operation of the ISA Scheme, to take into consideration information either:
 - (i) the disclosure of which to you would or might be a breach of duty of confidence to any other person; or
 - (ii) which comes to the notice of any employee, officer or agent of ourselves or of an agent or of an associate of either, but does not come to the actual notice of the individual making the decision or taking the step in question.
- (b) Both we and you will at all times respect and protect the confidentiality of information acquired in consequence of this Agreement except pursuant to any right or obligation by virtue of which we or you may be entitled or bound to disclose information or under compulsion of law or pursuant to the requirements of regulatory agencies.

14. MONEY LAUNDERING

In order to comply with the Money Laundering Regulations 2007 (or any successor regulation), we will need you to provide proof of your identity and address when buying or selling shares or we may need to perform independent electronic searches of third-party databases supplying such information. Until satisfactory evidence has been received we reserve the right to refuse to open an investment account or to redeem shares or pay any income on shares to you. In cases where proceeds are withheld, any proceeds or income will be held on a client money account. No interest will be payable.

15. TERMINATION

- (a) You may at any time leave the ISA Scheme by written notice to the Administrator which shall be effective upon receipt or such later date specified in that notice except that the Administrator must receive the notice not less than 10 business days prior to the collection date of your direct debit (if any), to cancel the investment.
- (b) We may also terminate this Agreement by giving one month's written notice to you. Upon the expiry of the notice period, we shall sell all your investments and the provisions of Clause 16(a) shall apply.
- (c) We will terminate this Agreement if RITCP is wound up.
- (d) The Agreement with a participant will terminate automatically on the insolvency of the participant or joint holder.

16. CONSEQUENCES OF TERMINATION

- (a) Any sales or transfers on termination will be subject to the completion of outstanding transactions and to any deductions we may be entitled or bound to make in respect of Charges. The sale of Shares will be subject to Charges in accordance with Clause 4. Transfers of Shares to you will be made following receipt of your instructions by the Administrator.
- (b) Notwithstanding the provisions of Clause 15, upon any sale or transfer on termination we shall be entitled to retain such securities and cash as may be required to settle transactions already initiated.
- (c) Upon the death of an ISA Scheme member, the Shares would be transferred to the members' personal representatives or as directed by them upon production of a grant of probate. The total value of the Shares form part of the deceased's estate for inheritance tax purposes.

17. TAXATION

We are required to account to the relevant tax authority for any tax arising from any dividends, interest payments and cash entitlements paid on investments in the ISA Scheme. You authorise us to collect this from any cash we hold for you in your ISA Scheme account or, if you do not hold sufficient cash, by selling Shares from your ISA Scheme account.

Under the ISA Regulations of HM Revenue & Customs, we will notify you if your ISA has been made void and will no longer benefit from the tax relief that applies to ISAs. You will be advised to contact your HM Revenue & Customs office with details of your potentially void ISA. Alternatively, HM Revenue & Customs may advise us that your ISA is void. In such circumstances, we reserve the right to charge for correspondence we may have to engage in on your behalf.

Current law permits ISA Schemes to operate in a tax free environment for investors. Subject to any unforeseeable changes to tax law, the ISA Scheme and its investors will not be subject to UK income and capital gains tax on the Shares and cash held in the ISA Scheme (however, losses incurred in the ISA Scheme cannot be allowed for capital gains tax purposes against capital gains outside an ISA). If the tax free nature of your investment in the ISA Scheme is changed as a result of UK tax law, your ISA investment will continue, but it will be affected by any such change.

18. FORCE MAJEURE

In the event of any failure, interruption or delay in the performance of our obligations resulting from acts, events or circumstances not reasonably within our control, including, but not limited to, industrial disputes, acts or regulations of any governmental or supranational bodies or authorities and breakdown, failure or malfunction of any telecommunications or computer service or systems, we shall not be liable or have any responsibility of any kind for any loss or damage thereby incurred or suffered by you.

19. AMENDMENT

Subject to the FSA Rules, this Agreement may be amended by us from time to time. You will be given notice of any such amendments and will be deemed to consent to them, provided that you do not object and terminate your participation within one calendar month.
